Growing

## Things to ponder...

*When have you felt closest to God?*

*What does it mean for Christ to be formed in you?*

*Who began something in you, and who will complete it? (Philippians 1:6)*

*How can you reach your potential? (John 15:5)*

*How does your proximity to God impact your growth?*

*What can you do to grow this week and how can you be accountable to it?*
